

CHITTERNE PARISH COUNCIL

Minutes of the Meeting of Chitterne Parish Council Held at the Village Hall on Monday 10th September 2018 at 7.00 p.m.

Present: Councillors

Barry Ricketts (Chairman), Murray Kent (Vice Chairman), Charles Horsfall, Peter Emmerson and Rachel Wilkinson.

In attendance: Parish Clerk Nikki Spreadbury-Clews, no members of the public, Kirstie and Adam from Wessex Water.

Public Participation

The representatives from Wessex Water gave a presentation on the proposed Water quality improvement work planned at Chitterne water treatment centre. It is hoped the works will commence in November and expect to take about 12 months to complete. There will be no disruption to water supply as a result of the works. There will be an increase in traffic, this will include construction staff and deliveries, however they will try and arrange for deliveries to take place between 9.00am and 3pm to avoid local traffic commuting to work and school. Members of the Parish Council advised the road from the B390 at Chitterne to the water treatment centre becomes very narrow and local vehicles are parked, heavy delivery lorries may find it difficult to pass and there is a weight restriction. The suggested route would be A303, A360 to Shrewton and Tilshead, the representatives would look at this route.

18/41 Acceptance of apologies for absence. Resolved: Cllrs Albertsen, Pike and Webb.
