Last year we lost not only Tom Brassey and Geoff Parker but also Peter Smalley, aka Codford Pete. Peter was a stalwart of the club from its refounding in the early 2000s, and he was a regular and dependable umpire. He was unfailingly tolerant of jokes at the expense of his own very occasional unorthodoxies at the bowler's end, and gave as good as he got. He was a good and witty friend to us all, and we shall miss him.
